

16<sup>th</sup> August 2020

Dear Parent,

### School Reopening August 2020

As we work together to ensure that everything is ready for your child to return to school, ADEK has arranged with SEHA for all members of staff in the school to undertake a Covid 19 test. For LISM this will take place on Tuesday 18<sup>th</sup> August.

Once this testing has been done, no one can enter the school building without a negative Covid test result, dated on the above date at the earliest. This includes all parents. Further guidelines will be issued soon but until this is done, please be aware that you cannot be admitted to the school building without the negative test result.

Details of testing for students have not yet been shared with us; we will let you know as soon as they are.

Yours faithfully,

Margaret Haynes  
Principal
