Please read the basic rules mentioned below and fill up this form then return it back to the school administration.

Basic rules

It's a pleasure for LISM to provide parents with the opportunity to benefit from the school transportation for their children. In this context, it's absolutely necessary to adhere to the essential rules issued by the Department of Transportation and Department of Education and Knowledge to give us the opportunity to provide the comfort and safety for our students. Please fill in the form below:

I hereby: _____ parent of the student/s: 1_____

2_____ 3_____ commit to the following:

- Ensure an adult, approved by me, will be in the drop-off point to receive my child/ren under the age of 11 at the timings determined by the school.
- Provide the school with my contact details and update them whenever required.
- Collect the student/s from school if they are returned to school because of the absence of the person who receives them at the designated drop-off point.
- Pay the cost of repairing any damage to the bus caused by my child/ren.
- Raise my child/ren awareness about the importance of adhering to safety rules at all times during the bus trip, including while waiting for the bus, at pick up, and at drop off and to abide by the following:

  » Be at the assembly point on time or earlier.
  » Do not violate the safety rules or endanger their life or others' lives on the bus.
  » Do not leave the bus before reaching the school or the designated drop-off point.
  » Remain seated during the trip and fasten the seatbelts tightly.
  » Do not misbehave or cause disturbance or participate in any issues or aggressive behaviors.
  » Inform the school administration about any violation that occurred in relation to the school bus cleanliness, as well as report any inappropriate behavior from the driver, the supervisor, or the students.
  » Food and drink are not allowed inside the school bus.

I also acknowledge that I'm well informed, that the school has the right to stop the school transportation service for my child/ren for the reasons below:

» If she/he continues to violate any of the safety rules or compromise her/his life or others' lives during the trip.
» If she/he continues to misbehave or cause disturbance or participate in any inappropriate or aggressive behaviors towards other students after written warnings (three times a year).

The School Administration would like to remind parents that the school is informed about any issues happening inside the bus on daily basis. And the responsible employee will take the required and appropriate action.

Note: Parents should inform the school one month in advance if they plan to change their home's location. The school cannot guarantee the bus service availability to/from the new location mentioned.

Note: In case of the form has not been returned on time, unfortunately, we will not be able to guarantee a seat for your child/ren in the school bus for the upcoming academic year.
